

On the outskirts of a tiny little town stood a house in an overgrown garden. The name of the house was Villa Villekulla. No one had lived there for a very long time.

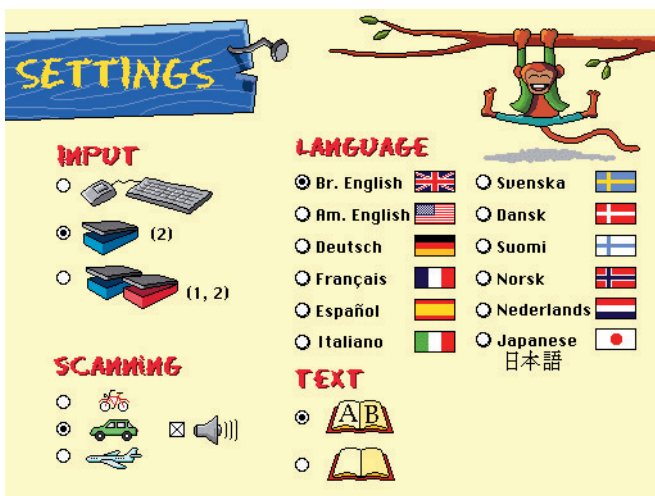

Pippi CD-ROM includes three delightful stories about Pippi Longstocking with colorful animated characters. Each story can be read and is spoken in 12 different languages!

Pippi offers ESL students a marvelous opportunity to switch, page by page, between English and another language.

Junior high and high school students will enjoy reading these stories in the foreign languages they are studying. Grades K-12
